**Music Instruments:** Piano, Acoustic Guitar, Electro Guitar, Bass Guitar

**Favorite Genres:** Boom Bap, Alternative Rock, Techno, Drum and Base, Witch House

**Bio:** Aaron is a beginner music producer from Toronto. He has had a passion for making music since his childhood. He learned how to play piano from his mother, and he taught himself how to play guitar. He also joined the school band, and he gained some experience in performing live. Now Aaron is making music at home, but he wants to expand his network and collaborate with other talented artists and producers. He is looking forward to sharing his music and ideas and getting feedback from others, but he is a bit nervous about how people will react to his songs. Aaron is open to criticism, and he wants to learn from more experienced artists who can give him some tips and advice.
